

ELEPHANT WALK RESTAURANT

041 372 1470

The restaurant specialises in French Cuisine, namely their very popular Fillet au Poivre, Fillet Béarnaise, Canard a la Orange and Belgian Style Mussels. Specialities also include Venison Dishes, Lamb & Mint Pie and our thin crust artisan Pizzas.

Start your day with one of their hearty breakfasts, where most of their breakfast ingredients are either free range or organic and sourced locally. They offer an extensive A la Carte Menu for Lunch & Dinner. A roaring log fire adds to the warmth and atmosphere on cold winter days.

The Farm Shoppe stocks a wide range of preserves, jams, pickles, fresh organic produce, organic stone ground bread and free-range items. Their artisan bread are flavoursome and healthy, made daily by hand using stone ground flours. The Deli Section offers a lovely selection of cold meats, cheeses and homemade savoury and sweet items.

BARNACLES RESTAURANT:

041 378 2058

Barnacles Restaurant has a prime spot, perched (amidst some coveted homes) atop the first sand dune that overlooks Seaview's rugged, unspoiled coast.

The deck has been constructed so that it seems to float without anything hindering the view or marring the atmosphere. This stretch of ocean is known for the whales that make their appearance between August and December and the dolphins that can be seen all year round.

They serve great red meat and seafood dishes and are open for breakfast, lunch and dinner. Cocktails on the deck, particularly at sunset, have to be on the agenda of any holiday-maker visiting Port Elizabeth. The atmosphere is friendly and laid back, but not at the cost of good, attentive service.
